

2010 VRHA End of Year Point Calculation Description

For the 2010 VRHA Year End Standings will be calculated using the NRHA Affiliate qualifying point system, on a one horse/one rider format for all classes. Points will be awarded based on the number of horses actually competing in the class, i.e. if fifteen (15) horses compete, first place will be awarded 15 points, 2nd - 14 points, etc. Ties will be awarded fair share of the total points covering the tied places/positions. Points will be calculated on horses actually competing, excluding the horses entered but scratched. Zeros and no scores will not be awarded points. Refer to VRHA Show Rules and Conditions for award eligibility requirements.
